ALTOIDS
WARMTH AND
VITALITY
"ALTOIDS" are the old favourites so well known for many years as the original Curiously Strong Peppermints.

It's Pillans & Wilson's

"It's Pillans & Wilson's"

,,,,This is the usual expression when a particularly fine piece of printing falls into the hands of the public. We think it unnecessary to take up too modest an attitude on this point as we really do put something valuable into every piece of work which we turn out.

We employ good workmen, good materials, newest machinery, and we work under the best factory conditions. These elements are all reflected in the kind of printing which we could produce for you. Their inclusion in your printing would mean new life to your advertising, and your printed message would surely bring ample return.

ZENOIDS

The After-Dinner Tablets

There are times when you feel you should indulge yourself, when refusal of good food would be out of place or churlish. Wise folk eat their fill on such occasions, and end the meal with a ZENOID Tablet, prepared from Turkey Rhubarb, Jamaica Ginger and Cardamoms.

An Easy Digestion after slight indiscretion at meals

Famed for a hundred years, they are sold by chemists, 1/- per box.

EDINBURGH CORPORATION EDUCATION COMMITTEE.

City Education Officer—JAMES B. FRIZELL, B.L., A.L.A.A.

THE HIGH SCHOOL appears to have existed at the beginning of the twelfth century. It was then under the care of the Abbot and Canons of Holyrood, and was known as 'The Grammer Schule of Edinburgh.' After the Reformation the management was transferred to the Clergy and Town Council, and tradition has it that the School received from James VI., in 1598, the title 'Schola Regia Edimburgensis'—The Royal High School of Edinburgh.

The Royal High School provides a complete course of Primary and Secondary Education for Boys from the age of five upwards. The organisation is modern and the classes are limited in size and carefully graded. Religious instruction is given throughout.

An Easy Digestion and Sound Sleep

Peppermint is an old, much-appreciated and well-known Carminative.

Peppermint Lozenges, as usually supplied, are not strong enough; in other words, their efficacy is sacrificed to the call for a sweetmeat, flavoured with peppermint.

Curiously Strong Peppermints, as their name denotes, are of special strength and consequent value as a Carminative, and are purely medicinal.

"ALTOIDS" are the Original Curiously Strong Peppermints which have been manufactured by us for considerably over a century. They are warming and comforting, and will be found useful after meals and on retiring.
